

# Grace

U2

*Intro:* **C**

*Verse 1:*

**C**

Grace, she takes the blame, she covers the shame  
Removes the stain, it could be her name

**F**

Grace, it's a name for a girl

**C**

It's also a thought that changed the world

**G**

**F**

And when she walks on the street you can hear the strings

**C**

Grace finds goodness in everything

*Verse 2:*

**C**

Grace, she's got the walk, not on a wrapper on chalk  
She's got the time to talk

**F**

She travels outside of karma, karma

**C**

She travels outside of karma

**G**

**F**

When she goes to work you can hear the strings

**C**

Grace finds beauty in everything

*Verse 3:*

**C**

Grace, she carries a world on her hips  
No champagne flute for her lips - No twirls or skips between her fingertips

**F**

She carries a pearl in perfect condition

**C**

What once was hurt, what once was friction

**G**

**F**

What left a mark no longer stains

**C**

Because grace makes beauty out of ugly things

Grace finds beauty in everything

Grace finds goodness in everything
