

Running To Stand Still

U2

INTRO: D – G (2x)

VERSE 1

D And so she woke up from where she was lying still
G
D Said I got to do something about where we're going
G
D Step on a steam train, Step out of the driving train
G
Maybe run from the darkness in the night
A G
Singing ah la la la de day
A G D (D – G)
Ah la la la de day, ha la la de day

VERSE 2

Sweet the sin but the bitter taste in my mouth
I see seven towers but I only see one way out
You got to cry without weeping, Talk without speaking
Scream without raising your voice, you know
I took the poison, from the poison stream,
Then I floated out of here
Singing ha la la la de day
Ha la la la de day, ha la la de day

INSTRUMENTAL: (D – G)

BRIDGE 2/OUTRO

D
She runs through the streets with her eyes painted red
G
Under black belly of cloud in the rain
D
In through a doorway she brings me
G
White gold and pearls stolen from the sea
D
She is raging. She is raging
G
And the storm blows up in her eyes
A G
She will suffer the needle chill
A D – G – D – G – D
She is running to stand still
