Verse 2: (**Bm7 – G – D – Dsus2**)

I was just guessing at numbers and figures - Pulling the puzzles apart.
Questions of science, science and progress - Do not speak as loud as my heart.
Tell me you love me, come back and haunt me - Oh as I rush to the start.
Running in circles, chasing our tails - Coming back as we are.

Outro: **Bm7 – G – D – Dsus2**
